Explanatory Note

(This does not form part of the notification, but is intended to indicate its general purport.)

Government have reduced the rate of stamp duty payable on the instrument of partition falling under clause (i) of Article 42 in the Schedule to the Kerala Stamp Act, 1959 to one rupee for every rupees 100 or part thereof of the amount of the value or fair value of the separated share or shares of the property, whichever is higher, and for the instruments of release falling under clause (a) of Article 48 in the Schedule to the Kerala Stamp Act, 1959 to one rupee for every rupees 100 or part thereof of the amount or value of the property or claim or fair value of the land of which the right is relinquished in proportion to the right relinquished or consideration for the release, whichever is higher as per the amendments made in the said Act through the Kerala Finance Act, 2010 (10 of 2010). Now Government have decided to reduce the rate of registration fee payable on such documents to one per cent of the value from the existing rate of two per cent of the value to make it on par with the stamp duty payable.

This notification is intended to achieve the above object.
