3. Amalgamated Sub Registry Offices.

(a) Tour of District Registrars.

Government consider that there is a case for curtailing the tour of District Registrars so as to enable them to spend more time at headquarters and attend to more office work which is bound to reduce the work-load of the Amalgamated Sub Registrars attached to the District Registrar's Office also. The Inspector General of Registration has agreed to the number of days to be taken by the District Registrars for the inspection of a Sub Registry Office being limited to two.

In the circumstances, Government order that the period of inspection of each sub Registry Office by the District Registrars will be limited to two days.
