As per Rule 87 Part I Kerala Service Rules, an officer not in permanent employ appointed without interruption of duty substantively to a permanent post will be credited with the Earned Leave which would have been admissible if his previous duty had been duty as an officer in permanent employ diminished by any earned leave already taken. 2. It has also come to the notice of Government that earned leave at the rate of 1/11th of duty has been calculated in the case of certain employees who have completed 3 years of service by certain Heads of offices on the basis of certain clarifications purported to have been issued by the Accountant General, Kerala. The Accountant General as per his letter second cited has informed that no such clarification has been issued by him.

3. In the circumstances, Government wish to clarify that no amendment/clarification has been issued to Rule 87 Part I KSRs making officers who have been put in 3 years of service eligible for ~~xxx~~ recalculation of earned leave at the rate of 1/11th of their period of duty.

4. All Heads of Departments/Offices are requested to verify whether the Earned Leave account of any of the officers have been recalculated on mistaken notion against the above Rules and if so to take immediate steps to correct the leave accounts. The excess amount, if any paid on this account may also be recovered forthwith.
