

Copy of letter No.91874/Estt.CI/76/Fm. dt. 14-3-77 from the Special Secretary, Finance, Trivandrum addressed to the Director of Treasuries, Trivandrum.

Sub:- Estt. - sanction of increments before declaration of probation in the new Department to those inter-departmentally transferred -
Regarding -

Ref:- Your letter No.83-24140/76 dt. 7-12-76.

With reference to your letter cited I am to inform you as follows:

According to the orders in G.O.(MS) 391/76/PD dt. 12-11-76 an inter-departmental transferee has to undergo fresh probation in the new department to which he is transferred. A person who has obtained an interdepartmental transfer might have put in years of service in the old department and he might have earned increments in the scale of pay based on his service in that department. For example a person seeking an inter departmental transfer after putting in a service of five years in a department might have earned, in the normal course, five increments in the scale of pay. Hence the stipulation that the second increment can only be granted after completion of probation under Rule 37(B) (b) of K.S.R. Part I will not hold good in such cases. The second increment in this case can only be the second increment to be earned on the basis of his service in the new Department. He may be eligible for two increments in the new Department, on the basis of his earlier service in the old Department. Only that increment which falls due on completion of two years service in the new department may be sanctioned after declaration of completion of probation in the new department. The increment which are due within this two year period may be treated as grant of advance increments.

It is hoped that the position has become clear in the light of the clarification given above.

Yours faithfully,
UNDER SECRETARY,
for Special Secretary (Finance)

Endt.No.

Directorate of Treasuries,
Trivandrum, dt. 24-3-1977.

Copy forwarded to all District Treasury Officer Except Dist. Treasury Officer, Kozhikode for information.
