for Inspector General of Registra-
tion.

GOVERNMENT OF KERALA

Taxes (E) Department

No.28823/E2/88/TD

Dated, Trivandrum, 22.12.1989.

From

The Special Secretary to Government.

To

The Inspector General of Registration,
Trivandrum.
All District Collectors.

Sir,

Sub:- Kerala Manufacture and Sale of Stamp Rules
1960 sale of multiple denomination of stamp
papers - Regarding.

Ref:-

It has come to the notice of Government that multiple
stamp papers of lower denominations are being used even
when it is possible to use a stamp paper of higher deno-
mination itself and thereby avoidable payment of commission
is being resorted to. The Accountant General has pointed
out that Government is losing a considerable amount of
revenue by way of discount to stamp vendors by this
practice. Government have therefore decided as follows:-

So as to check loss of this type, action has to be
taken against the Stamp vendors who sell stamp papers of
lower denomination in the place of stamp paper of a single

contd....2.

higher denomination. For this purpose all the Registering officers at the time of registering each document should verify whether lower denomination stamp papers are being used purposely to make up stamp values of higher amount. Immediately on noticing such cases, they should report the matter to the Revenue authorities concerned furnishing necessary details and the name of the stamp vendor concerned, Number and date of the Document amount of consideration, number and denomination of the stamp papers used in lieu of higher denomination stamp papers etc. so that suitable action can be taken against those stamp vendors by the Revenue Authorities.

I am therefore directed to request you to issue necessary directions to all concerned in this regard immediately.

Yours faithfully,

N.S. MADHAVAN

Special Secretary to Government

Sd/-

for Inspector General of Registration.
